

# CCPI EUROPE LIMITED are recruiting...

## Thermocouple Assembler Production Operative

### The Role:

Come join a team where People make the difference! As a part of Marmon Holdings, Inc., a highly decentralized organization, we rely heavily on people with the aptitude, attitude, and entrepreneurial spirit to drive our success, and we're committed to attracting and retaining top talent.

The Production Operative works along an assembly line performing specialized tasks that lead to the manufacture of thermocouples. Adhering to safety guidelines and ensuring that final products meet high-quality standards.

Any reasonable additions to the role as requested by the management.

### The role is responsible for but not limited to the following tasks:

The Production Operative reports to the Production Team Leader and is responsible for the manufacture of individual thermocouples within the cell in which they work. This includes:

- Quality of work.
- Adhering to set procedures and work instructions.
- Pre-use inspection checks of equipment.
- Housekeeping.
- Raising Health & Safety concerns and adhering to Legislative and Regulatory requirements.

### Background experience and qualifications:

- Basic knowledge of English written and spoken.
- On the job experience - previous engineering / production experience or relevant previous experience.
- The ability to work as part of a team to deliver maximum team benefits.
- Good communication skills.
- Able to work under pressure.
- Ability to read technical engineering drawings and job cards is desirable.
- Awareness of the requirements of ISO 9001: 2015 and ISO 17025: 2005 is desirable.

### Hours of work:

Monday to Thursday- 7:30am to 4:15pm

Friday- 7:30am to 12 noon

### Location of work:

Sheffield, UK

S26 5NU

### How to apply:

Apply via online application through [Careers \(myworkdayjobs.com\)](https://myworkdayjobs.com)
